

GLOBAL AWARENESS DAY AGAINST NOISE

To raise awareness of the citizens and of the state of noise problems was declared internationally the last Wednesday of April the Global Awareness Day Against Noise.

On Wednesday 20 May 2015 at 16:00-20:00 a work shop takes place on POLIS ART CAFÉ, Stadiou & Pasmazoglou str. Athens- Greece, regarding:

"NOISE : a big problem that needs solutions",

They will examine the production of noise, its effects, the fighting of tools and the legal background of noise protection.
